## MY IDEAL LIFE

For this project, you will have a choice regarding how you wish to share your “ideal life” with the class. Think ahead to what you would like your life to be like in 10+ years. Then choose at least three items from the *Suggested Content* section below that you will present to the class using one of the *Project Ideas* listed below.

### Due Dates:

This project is due for presentation on \_\_\_\_\_.

### Suggested Content:

- Goal(s) for your life
- Your future career
- Educational goals
- Your future family
- Financial goals
- Things you would like to do for fun
- Things you would like to own (house, car, recreational vehicles, pets, etc.)
- Plans for retirement
- Come up with your own idea and get it approved by your teacher

### Project Choices:

- Karaoke Video:** Choose an existing song that has a tune that you like. Write new lyrics to the song that include at least three items from the *Suggested Content* section above. Create a video that has your lyrics printed and the music playing in the background. Consider uploading the video to YouTube to avoid compatibility issues. The school computers may or may not have the software needed to view your video.
- Music Video:** Choose an existing song that has a tune that you like. Write new lyrics to the song that include at least three items from the *Suggested Content* section above. Create a music video that has you singing the lyrics you wrote to your chosen tune. Consider uploading the video to YouTube to avoid compatibility issues. The school computers may or may not have the software needed to view your video.
- Group Music Video:** If you can find classmates with similar goals for the future, you may wish to do this project as a group. Choose an existing song that has a tune that you and a couple of classmates like. Write new lyrics to the song that include at least three items from the *Suggested Content* section above. Create a music video that has your group singing the lyrics you wrote to your chosen tune. Consider uploading the video to YouTube to avoid compatibility issues. The school computers may or may not have the software needed to view your video.
- Rap Music Video:** Write lyrics that include at least three items from the *Suggested Content* section above. Create a rap music video that has you singing the lyrics. Consider uploading the video to YouTube to avoid compatibility issues. The school computers may or may not have the software needed to view your video.
- Poem:** Write a poem that includes at least three items from the *Suggested Content* section above. Either recite the poem live to the class or make a video of you reciting the poem. If you make a video, consider uploading the video to YouTube to avoid compatibility issues. The school computers may or may not have the software needed to view your video.
- Original Artwork:** Create an original piece of artwork that includes at least three items from the *Suggested Content* section above. Be prepared to share and explain your artwork to the class.
- Your Own Idea:** Come up with your own idea and get it approved by your teacher.
